RE: Rescission of the new shipper review of the antidumping duty order on solar cells from the PRC covering Hengdian Group DMEGC Magnetics Co., Ltd. (A-570-979)

1. On 9/14/2015, Commerce published in the Federal Register (80 FR 55090) the rescission of the new shipper review of the antidumping duty order on crystalline silicon photovoltaic cells, whether or not assembled into modules, from the People's Republic of China covering subject merchandise produced and exported by Hengdian Group DMEGC Magnetics Co., Ltd. (DMEGC) (A-570-979-077) and covering the period 12/01/2013 through 5/31/2014.

2. As a result of Commerce's rescission of this new shipper review, the option of a bond in lieu of a cash deposit is no longer permitted. For shipments of subject merchandise produced and exported by DMEGC, which were entered, or withdrawn from warehouse, for consumption on or after 9/14/2015, cash deposits only should be collected at the PRC-wide rate in effect on the date of entry. The PRC-wide rate currently in effect is 238.95 percent. Additionally, as a result of Commerce's rescission of this new shipper review, shipments of subject merchandise produced and exported by DMEGC may no longer enter under case number A-570-979-077 effective 9/14/2015 and thus Commerce has deactivated this case number in ACE. Such merchandise should now be entered under case number A-570-979-000 until such time as the exporter receives its own rate.

3. Liquidation instructions for this company and period will be issued separately. Do not liquidate any entries covered by this review until liquidation instructions are issued.
